12. You may be contacted by Metropolitan or your retail water agency to schedule a site visit to verify installation.

California Friendly Irrigation Retrofit Program Rebate Application

Terms and Conditions

ELIGIBILITY

1. Rebates are available for equipment to retrofit existing irrigation systems in multi-family common areas and public parks that serve multi-family communities. Qualifying irrigation equipment product lists are available on www.mwdsaveabuck.com.
2. A customer installation address previously rebated through Metropolitan's regional or its member agency programs is not eligible for another rebate of the same device type.
3. The property must receive water service from a Metropolitan member agency or retail agency.
4. The equipment installation must improve the efficiency of an existing irrigation system. New irrigation systems are not eligible.
5. Improvements must comply with all applicable laws, codes, policies, covenants, conditions, and restrictions.
6. Only property owners, homeowner associations, property managers, and public agencies may apply for the rebate.
7. Projects that have been started or already completed prior to rebate reservation approval are not eligible.

PROGRAM TERMS

1. The rebates are funded in part by a grant from the California Department of Water Resources and are allocated on a first-come, first-served basis until funding is exhausted.
2. Funding is limited and the program may be terminated without prior notice. Rebates offered are subject to availability of funds and may change without notice. Submitting a rebate reservation request does not guarantee that you will receive a rebate reservation. Rebates will be paid at the rebate amount in effect at the time the rebate reservation is confirmed and are limited to up to the cost of the device, including tax and shipping.
3. Only one rebate per project will be issued.
4. Rebate reservations are valid for 60 days. The equipment must be installed and the Rebate Request (Part 2 of the application form) submitted prior to the reservation expiring. Applications not fully submitted within 60 days are subject to cancellation.
5. The payee's Social Security or Tax ID number must be provided in order to receive a rebate. This is in compliance with exemptions to the Federal Privacy Act of 1974, 42 UCS 405 (c)(2)(c). The Internal Revenue Service requires Rebate Program participants receiving \$600 or more in rebates to receive an IRS Form 1099 unless exemptions apply. Social Security numbers provided as part of the application process are held in confidence under terms of the Privacy Act and are not divulged or otherwise conveyed to individuals or organizations outside the Rebate Program. Metropolitan and participating water agencies are not responsible for any taxes that may be imposed as a result of your receipt of any rebate.
6. Installed devices are subject to inspection and verification by Metropolitan, its contractor, agent, or Member Agency. If installation cannot be verified, the applicant must reimburse Metropolitan (or rebate provider) for funds received including all associated processing costs.
7. Projects may be selected at random for a water use study. If the project is selected, Applicant agrees to provide annual water use data for the project area for the period covering one year prior to installation and five years after installation in a mutually acceptable format.
